2027 Employee Gift Calendar

Recognition dates, order-by deadlines and a budget worksheet for HR and office teams

Rule of thumb: for custom logo gifts, send your brief about **12 weeks** before the date. That leaves time for the proof, production and delivery to your office. The dates below are for 2027; recurring rules are noted so you can reuse the calendar.

Why nail polish works as an employee gift

• It gets used: five shades, including one matched to your brand color and a magnetic cat-eye or aurora shade.
• No lamp and no salon: AQUOL air-dries. Long-Wear lasts up to two weeks and comes off with an alcohol pad in a few minutes; no filing.
• It travels: a magnetic box that fits on a desk or in a bag.
